

Hello Dancers and Families:

Hope your summer has been great; mine seems to slipping by way too fast. After a month of scheduling and rescheduling and rescheduling and rescheduling, Alicia and I finally think we've got it. But please note the schedule is subject to change after I hear from all of you. Your dancer has been placed in their appropriate class by teacher placement. If you don't see their name in their class from last year they might have moved up, so please check the whole schedule over. We needed more room and added more classes at Studio 2 (Centennial Court), those classes are marked in red. We always try to put classes together so you're not coming to the studio every day of the week, but in some cases that was not possible due to dancers taking different levels of classes.

The registration form and the new brochure are attached, please fill this out, and send in before the August Open House on August 10<sup>th</sup>. As returning dancers your space is held for you until the open house, after that time I need to make room for new students and you might lose your place in class unless you register first. Also let me know if you are adding or deleting any classes by email so I can update the schedule before Open House. Open house is August 10<sup>th</sup> and 11<sup>th</sup> for new incoming dancers.

The discount systems for dancers taking multiple classes, is every fourth class you take is 25% off that class. The sibling discounts are 10% off second dancer and 15% off third dancer by age, meaning the younger dancer receives the discount.

**Competition:**

After the successful year we had with competition, we are excited to put together a great competitive team this year. We will have tryouts before dance starts, around the last week in August or the first week in September. Dancers will learn a piece of choreography one day based on their level and audition that piece the same week for placement on the Competition Team. We will compete in a couple of competitions, all held in Massachusetts. Practice for the team will be every Friday. More information, to follow in the next couple of weeks.

**Assistants:**

If you would like to be considered for an assistant, or assistant in training this year, please email me. Assistants are picked by the teachers and we try to put them in classes on the same days they dance.

The first week of classes is September 12<sup>th</sup>; we are very excited about the upcoming season and look forward to seeing you all in September.

Thank You,

Dana Aniello
