Holiday Show Changes:

Last year the Board of Selectman elected not to continue with the Annual Town Holiday Show. Dance Works Academy has been providing the entertainment for this show for the past 23 years.

DWA has decided to continue this great tradition for our dancers and their families by keeping this Holiday Show alive for this year and for years to come.

To help off-set some of the costs for this show, there will be a \$3.00 admittance fee per person for adults and kids 13yrs and older. No charge for past or present DWA students.

New this year to the Holiday Show, our Competition Team will be having a Fund raiser. The kids will be selling raffles tickets for gift baskets that will be displayed in the lobby and they will have a bake sale table set up with goodies to take home. So let's show our support to the Competition Team by helping them out.

Dress Rehearsal/Holiday Show Schedule:

Dress rehearsal will be held at the Town Hall on Friday December 2nd at 4:00. Please have your dancer come dressed in their first costume and ready to perform. There is a changing room upstairs on the balcony level for costume changes and you may also use the rest rooms downstairs.

The Holiday show starts at 5:00 on Saturday December 3rd. All dancers performing should arrive by 4:30 dressed in their first costume and ready to perform. The show will last approximately 1 1/2 hrs.

Recital Costumes/Measuring

We will be measuring and ordering recital costumes for our Spring show during the next couple of weeks. All costume deposits and tuition must be paid in full before a costume for your dancer can be ordered. Costumes ordered after the initial order will be charged an add on fee per costume.

Holiday Closings/Vacation:

The studio will be closed for the Holidays from Monday, December 19 through January 1. Studio resumes classes on Monday, January 2.
